

1. Do you have **any** of these symptoms?
 - A fever greater than 100.4 degrees
 - Difficulty breathing (shortness of breath)
 - New or worsening cough (not allergy related)
 - New loss of taste or smell

2. Do you have **two or more** of these symptoms that are **new or unexplained**?
 - Fatigue
 - Muscle or body aches
 - Headache
 - Sore throat
 - Congestion or runny nose
 - Abdominal pain
 - Chills

3. If you are unvaccinated, have you been in **close contact** in the last 5 days with a person who has a confirmed case of COVID-19?

If you answer “yes” to questions 1 or 2:

- You will not be allowed to enter Ballet Chelsea for classes, until you are:
 - fever-free for 24 hours (without use of fever-reducing medication)
 - symptoms are improving or gone, and
 - tests negative (PCR or Rapid Antigen test) for the virus or are otherwise cleared by your physician to return.

If you answer yes to question 3:

- If a vaccinated person has a close contact event, and does not have COVID-19 symptoms, that person may reenter the studio and is asked to get a COVID-19 test (PCR or Rapid Antigen test) on day 5 following the last close contact event.
- If an unvaccinated person has a close contact event and does not have COVID-19 symptoms, that person may reenter the studio and is asked to:
 - wear a mask for 5 days following the last close contact event, and
 - get a COVID-19 test (PCR or Rapid Antigen test) on day 5 following the last close contact event.
- If any person in a close contact event shows COVID-19 symptoms or tests positive for covid-19 that person, may not reenter the studio until after quarantining for at least 5 days after the last close contact event and must meet each of the following:
 - fever-free for 24 hours (without use of fever-reducing medication)
 - symptoms are improving or gone, and
 - tests negative (PCR or Rapid Antigen test) for the virus or are otherwise cleared by your physician to return.

Masks are not required while in the studio, regardless of vaccination status
